OFFICE: No. 15 Quincy Street-

FRIDAY, MAY 31, 1872.

THE ELECTION TO-MORROW. To-morrow the citizens of Wheeling are to vote upon the question of incurring a certain liability of \$600,000, and a possible liability of \$1,200,000, for the construction of a railroad bridge and the Wheeling & Lake Erie Railroad.

of the taxable property of the city is upward of \$13,000,000. It will be seen, is to be obtained by way of loan. We ob taxable property.

The question to be decided, therefore, is a very grave one, and should be very carefully considered.

So far as we are concerned, the only question for consideration is whether the guarantees offered for the completion of vote on so much as they have paid up. the proposed works are sufficient to jus- And in support of this we are referred to tify so heavy an expenditure. In our the Ohiolaw. It would have been much judgment they are not.

As to the bridge, not a dollar of the stock has been subscribed, and the com- doubted that where a man subscribed pany is not organized. There is no pledge or promise of any additional stock from he could vote on his stock if he paid the any other source."

Mr. Willson's promise was that he E. R. R. Co. to take \$400,000 of the bridge

authorized to pledge the company to do so. The First Branch of the City Council our installment will be paid and they can expressly decided by a majority of more than two to one, that they would not require any subscription from other sources as a condition precedent to the subscription by the city. It is agreed on all hands that the bridge will cost not less than \$1,000,000, besides the right of way for the delivered in full payment of the amount approach to it on both sides of the river. of shares. The only hope of securing any additional stock beyond the city subscription is that the W. & L.E. R. R. Co will take the additional \$400,000 as suggested by Mr. WILLson. If this is done it is with the expectation that the Railroad Company will take the contract for building the bridge-Having \$400,000 out of the \$700,000 that tors do not subscribe for their stock will be thus subscribed, the Railroad Com- at all, but simply become stockholders by pany will have the control of the organi- receiving paid up certificates as the work zation, and will, of course, elect their own board of directors. Whatever may ent with the whole theory of the contract. be said about this as to the vote The amount of the capital stock is fixed of the contractors in electing directors in by their charter. In all their estimates of the Railroad Company, there can be no the amount of stock subscribed they estiquestion about it as to the bridge company. The directors will have the control of the location of the bridge, the such principle would be unjust. It is the kind of bridge that is to be built, the price dictate of natural justice that each share

to be paid for building, and the accep- holder in a joint stock enterprise should tance of the work when it is completed. have an influence and control proportion Whether it is prudent for the voters of ate to the amount of capital he has investthe city to invest \$300,000 upon such ed in it. According to the theory of Mr. guarantees as these, is for them to deter- Bell and our correspondent "H ," this is mine. But it is said that all these matters not to be the rule at all. Suppose an may be safely entrusted to the City Coun-election for directors should be held when written pledge of the members of the City has been called for and paid, the stock Council that they will require certain holder who owns one share and has-paid guarantees before they will subscribe to \$10 has one vote. The contractor who the stock of the railroad company does has paid \$100 has only one vote. Does not apply to the bridge company. The anybody believe for a moment that the only expression we have from the City contractors would consent to have their Council is the vote in the First Branch refusing to require any subscription of way? They certainly ought not, and we supstock before making the city subscription. pose they are men who have intelligence Our own experience and observation of enough to understand their rights, and the action of municipal bodies, is, that courage enough to maintain them. There

fidence in such bodies. cerned, we have no hesitation in saying such county or township, and if authorize that with the total want of all guaran- ed by a vote, to levy a tax for that purtees and assurances as to the expenditure pose. But it must be let by contract to of the money, a vote for the subscription the lowest bidder. Hence these contracwould be to the last degree imprudent tors cannot build that part of the road un and unwarranted.

As to the railroad subscription, it stands As to the railroad subscription, it stands upon a different footing. The conduct of buy such roads after they are built, but New Style Photographs the parties who have the affair in charge they cannot be covered by their presen has not been such as to inspire the most contract. implicit confidence in the enterprise. In the first place the men controlling the things the written pledge of the members movement in the city are not the manufacturers, merchants and business men of before they will subscribe this stock, there the city who would be mainly interested is a total omission of any point at which

in its construction. Not a dollar of individual stock has therefore be entirely at the discretion of been subscribed in the city, unless Mr. the directors, who will be elected by the BELL may have taken a share to make him eligible as a director, and whether any injustice in making this as he is any longer a resident of the city, sumption, we have only to say that it may be a matter of controversy. And if might have been avoided by publishing there is a man in the city who pays \$100 their contract, instead of keeping it secret, of taxes for State, county and city pur- or allowing an opportunity for a perusal poses, who intends to vote for the sub and hasty reading of it by a few persons scription, we don't know it. On the contrary the parties who are controll- thing we may say or do should prevent ing the movement, seem to have the construction of a railroad from this been anxious to defeat the pur- city to the Northwest through the State poses and objects of the business men of Ohio. But we do not believe the de and capitalists of the city. They were feat of this proposition will have this ready to subscribe \$100,000 of individual result. stock to the capital stock of the Wheeling Wheeling creek, at right angles with the down this proposition, and give an oppor to the city for a railroad from the north- more satisfactory footing, and submitting west. It was only fifty miles long and it at the August election, or at some other could he built upon a paid up capital stock of \$1,000,000, with such loans as this stock would enable it to command. Of this, \$100,000 could have been raised by individual subscriptions in the city, \$300,000 by a city subscription, \$200,000 on the line of the road in Ohio, and \$400,-000 by capitalists interested in the L. S. & T. V. Railroad. This would have

made it for all purposes except for the consolidation of stock, a part of the Lake Shore road, the Lake Shore & Tuscarawas Valley and the New York Central, with th benefit of all their connections from New York to Toledo, Chicago and San Francisco. But the people have not been permitted to vote upon this road.

But instead of this they are asked to take \$300,000 of stock in a road some 220 miles long, with a capital stock of some \$5,000,000, already under contract, it is said, at \$35,000 per mile. The location is still open from the river to Lake Erie. The stock is to consist of \$10,000 per mile, to be subscribed on the line of the The present indebtedness of the city is road and the cities at its termini, and upward of \$600,000. The assessed value \$10,000 to be subscribed by the contractors. In addition to this \$15,000 per mile therefore, that this addition to the city jected the other day that as the contractors indebtedness will make the debt approxi- held one-half its stock and would theremate very closely to ten per cent of its fore control the organization, and conse quently its location and construction and

everything connected with it. In reply to this it is said that the private stockholders can vote on their full share of stock on the payment of an installment, and that contractors can only more to the purpose if they had published their contract. We suppose nobody ever for a share of stock in a corporation, that

installments as called for. But why can not the contractors vote would advise or recommend to the W.& L. on their stock on the payment of installments as well as the other stockholders stock, but expressly stated that he was not When they have subscribed their \$10,000 to the mile and done one month's work. give as many votes as they have sub scribed for shares. As well as we can gather from the extracts from the con tract that have been published, we under stand the certificates of stock are to be made out and delivered to a trustee, to be

They are to be delivered to all stockholders alike. the contractors as well as others. Then why may not the contractors vote on their stock subscription without their certificates as well as other stockholders? The impression sought to be made is that the contracprogresses. But this is wholly inconsist-And it will be observed that the an instalment of ten per cent and no more voting power and control curtailed in this when power is given to them to make is another difficulty about this contract. subscriptions, the parties interested never It is claimed that large subscriptions will

The undersigned have this day formed a co-partnership for the purpose of carrying on the business of Maltsters and Brewers, at the "OLD WHEELING BREWERY,"

GEO. W. SMJTH. Special Partner. Wheeling, Nov. 1, 1871.

And having purchased his stock of ALES, MALT, HOPS, ETC. We are now prepared to furnish everything in our line. We intend to keep up the standard of Mr. Smith's Kennett Ales, &c... nov25

SMITH & CO.

OTICE.—THOSE INDEBTED to the subarribor are hereby notified that their accounts have been made out, and primate can be made on the 3d day of January.

To prevent any confusion, proper officers will be in attendance, and no fear need be entertained by interested parties of any disagreeable consequences on account of the rush. Only a limited number can be admitted at a time—the down opening inward; the precaution being deemed noccessary on account of the experience of the past year by fire.

[Jan1] CHAS, H. BERRY.

FNCOME TAX NOTICE

the Revenue laws for Houps and the posed.
Taxes assessed within other counties of the Pirst Collection District, West Va., may be paid at my office at any time from and after the bld day of May.

B. F. KELLEY, Collector.
WHEELING, May 7, 1872.
